

Children on Red Rope Trips

It is expected that, normally, children on Red Rope trips will be accompanied by their parents or guardian. If this is not possible we would ask that parents appoint a responsible person to act 'in loco parentis' and complete the following declaration.

Red Rope trip to.....

Date of trip

Childs name.....

Unfortunately, I am unable to accompany my child on this trip. I have therefore asked.....to accompany him/her. I have every confidence in.....and for the duration of the trip he/she will undertake full parental responsibilities.

Signed by a parent or guardian of the above child

Name :-

Note that children are defined as being under 18 years old at the time of the trip
