

This is a list of the RR T shirts currently available. All are 100% cotton but the new Gildan Ts have a softer feel. The women's have a slightly higher neck than in the photo, which is an example of the original order, and cap sleeves. The sizes in the original order seemed on the small side. Consequently 3 people returned them hardly used. These are the 'briefly pre-loved' items and come at a temptingly reduced price! The others are all £7.50 without p&p and £10 with p&p.

Any remaining items will be on sale at the AGM. If you would like to place a particular order in the colours below let me know by August 26 and I'll be able to quote a price. If we order 6 at time the prices will be the same. If ordering from the list send a cheque made out to '**Red Rope**' to me at **David Symonds, 3 Zetland Rd, Liverpool L18 1HF** asap. Please let me know your order and your email and postal address, if applicable. If your choice has already been nabbed I'll destroyed your cheque. Carpe the diem!
